Wrap

Hand-woven Guatemalan fabric forms snugly around you and baby, without being bouncy. Lightweight, breathable, and easy to manipulate. Simplicity of design makes this the most versatile baby carrier available. Carry your child hands-free from birth through the toddler years, on the front, back, or side.

Available Colors:

- Osaka
- Pismo
- Helsinki
- Hershey
- London

Mei Tai

This versatile, reversible, all-around baby carrier can be worn on front, back, and side. Lightly padded straps easily distribute baby's weight. Because the straps are tied however you like, the pack can be shared between parents of very different sizes. Carry baby from head control through the toddler years.

Available Colors:

- Osaka
- Pismo
- Helsinki
- Hershey
- London
- Black
- Chocolate

Mei Hip

The shoulder strap cups the shoulder, rather than riding up toward the wearer's neck. Add the supportive waist strap and buckles at the shoulder and waist and you have a very practical, comfortable baby carrier. A back-friendly way to carry baby on the hip from sitting up through the toddler years.

Available Colors:

- Malay
- Brasilia
- Mango Stone
- Mango Sky

Ring Sling

Elegant design, with a touch of padding in the shoulder and rails. Lightweight brushed aluminum rings and an open tail combine for maximum adjustability and versatility. Designed to cup the shoulder and spread naturally over the back, keeping baby secure and close to your center of gravity. Perfect for newborns, nursing, and hip carries.
